

# Planning for your pet's health

Please call the Rock View team on 01726 890887, or call in for more information about Rock View Health Club. Alternatively call the Simplyhealth team on 0800 169 9958, Monday to Thursday 8.30am – 6pm, Friday 8.30am – 5pm.

At Rock View Vets Limited we believe that a proactive, preventive approach to your pet's healthcare is far better than waiting until your pet is vulnerable, ill or suffering to put things right. We want to make responsible pet ownership simple and affordable, which is why we have designed our Rock View Health Club.

Our Rock View Health Club is not pet insurance: Rock View Health Club includes the regular things – like vaccinations, flea, worm and parasite treatments, health checks and advice in your monthly payment plan – that pet insurance generally doesn't cover. However young or old your pet, Rock View Health Club is designed to adapt to your pet's needs, from puppy or kitten, to adulthood and throughout its senior years.

Our Rock View Health Club makes it easy for you to protect your pet and your family against preventable diseases and discomfort by making sure your pet's vaccinations, flea and worm treatments can be kept up to date. Plus, regular check-ups and early diagnosis of any potential health issues will help your pet enjoy a long, comfortable life, whilst saving you money and worry too.

We have teamed up with Simplyhealth, who will collect your Direct Debits on our behalf and take care of the administration of the plans. This frees us to concentrate on looking after your pets.

“So glad I have the plan for my two dogs. Now when their booster reminders arrive, I can book a appointment immediately without having to worry about how I will pay”

Mrs Dunn

“Thrilled to bits with this plan. It gives us peace of mind to come and get our dog's flea treatments and wormers regularly and it was a real bonus when we realised his Kennel Cough vaccine was included too”

Mrs Meddick
